Important Information

Your application will need to include a written statement in support of the application, including any relevant information and documentation as evidence of the non-financial hardship which is preventing you from being able to make payment on this invoice.

A range of instalment plan options are available to assist you in finalising your account. An instalment plan can be organised by calling our dedicated Customer Service Team on 1300 655 200.

NSW Ambulance may not accept applications for a fee review if received more than 7 days after the due date specified on the debt notice. If you are applying for a fee review, you should submit your application prior to the due date.

The supporting documentation that *may* be relevant for your application is listed in Section A of this document. If NSW Ambulance requests further documentation to support your application, this must be provided within 14 days of the request.

The outcome is valid only for the invoice specified on the approved application. If your application is unsuccessful, you will remain liable for payment of the invoice and may be offered an instalment plan or payment deferral.
